OBJECTIVE

Passionate and dedicated full-stack web developer with one year of experience in **PHP, Laravel, Next.js, JavaScript, and front-end technologies**. I am seeking an opportunity to apply my skills in building high-quality web applications while continuously learning and growing professionally. Eager to contribute to innovative projects, collaborate with a dynamic team, and advance within a forward-thinking organization.

WORK EXPERIENCE

360 PropGuide LLP, Noida

Designation: Full-Stack Web Developer

Duration: Apr 2024 To Present

- **As a Full-Stack Web Developer**, I develop and maintain dynamic web applications using **PHP, Laravel, Next.js, and JavaScript**. My responsibilities include designing and optimizing backend systems, managing **MySQL databases**, and integrating APIs for seamless functionality. I work on **front-end development** to ensure responsive and user-friendly interfaces using **HTML, CSS, and modern JavaScript frameworks**. I collaborate with teams to improve application performance, troubleshoot issues, and implement scalable solutions while continuously enhancing my technical expertise.

EDUCATIONAL QUALIFICATIONS

- ❖ **Master of Computer Applications (MCA) – AI & ML (Pursuing)**
Amity University Online (2025 – 2027)
- ❖ **Advanced Diploma in Computer Engineering – A Grade**
Indian Institute of Computer Science (2021 – 2023)
- ❖ **Bachelor of Commerce (B.Com) – First Division (CGPA: 6.803)**
University of Delhi – School of Open Learning (2020 – 2023)
